In 2022 we continued painting the schoolhouse and museum buildings. Repairs of siding and deck of the schoolhouse were made. On August 6th the historical society participated in Greenfield Township Community Day and on October 1st we had a display table at the NEPA Local History Fair. In preparation for winter the six windows of the schoolhouse were insulated with plastic sheeting. The Little Free Library has also been maintained.

Sincere thanks go out to all who have contributed, worked and invested their time and talents. We appreciate your kindness and generosity.

Sincerely,

*Chester Kulesa, Chairman/Secretary
Greenfield Township Historical Society*
