The Lackawanna County Planning Department is requesting up valley residents, businesses and workers to participate in a survey organized by the City of Carbondale, Carbondale Township, Greenfield Township, Jermyn Borough, and Mayfield Borough, collectively known as the Northern Lackawanna Planning Association. This survey aims to gather input for a Regional Comprehensive Plan.

By working together, these municipalities can share resources, minimize duplication of efforts, and collaboratively tackle regional challenges. This partnership promotes sustainable growth, enhances infrastructure, and strengthens the economic base for all communities involved.

Feedback is crucial for shaping the communities future, and to ensure that their actions align with the ideas and needs of residents and businesses.

The results will be shared with local media and made available at the Lackawanna County Planning Office, located at 123 Wyoming Avenue, 5th Floor, Scranton, PA 18503. If you have any questions, please contact the Lackawanna County Office of Planning and Economic Development at (570) 963-6400 during business hours, or email plned@lackawannacounty.org.

The survey can be filled out online at www.norlack.konveio.com, or a physical copy can be obtained by contacting the local officials within the five participating municipalities.
