

ORDINANCE NO. 5-99

STREET OPENINGS AND CURB CUT SPECIFICATIONS WITHIN THE VILLAGE OF SPENCER

BE IT ORDAINED, by the Council of the Village of Spencer, Ohio, three-fourths (3/4) of its members concurring herein as follows:

All curb cuts and street openings made by persons, firms, corporations, contractors, subcontractors, or employees of same shall perform said work in accordance with the following specifications:

- A. All curb cuts shall be made with a horizontal saw.
- B. Curb cuts shall be performed pursuant to an engineer's design. A copy of an acceptable engineer's design is attached hereto and incorporated herein.
- C. All street openings shall be cut using a diamond saw blade and vertical sawing machine.
- D. Village employees or personnel will not perform curb cuts or street openings for any person, firm, or corporation. Curb cuts and/or street openings by Village personnel shall be limited to Village functions only.

This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety, and welfare of said Village and for the

particular reason that the Village of Spencer needs to regulate the cutting of any opening in any curb within Spencer Village limits.
