ORDINANCE NO. 17-02

**AN ORDINANCE AUTHORIZING THE MAYOR AND CLERK
TO CONTRACT WITH F&H BLACKTOP SEALING FOR
THE CRACK SEALING OF STATE ROUTES 162 AND
CITY PARKING LOTS AND DECLARING AN EMERGENCY**

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Spencer, Medina County, Ohio, three-fourths (3/4) of its members concurring herein as follows:

1. That the Mayor and Clerk of the Village of Spencer are hereby authorized to enter into agreement with F&H Blacktop Sealing pursuant to the terms of the written proposal attached hereto and incorporated herein as "Exhibit A";

2. That this Ordinance is hereby declared to be an emergency measure necessary for the preservation of the health, safety, and welfare of the Village of Spencer, Ohio, and for the specific reason that crack sealing is necessary on State Route 162 within the Village limits and on city parking lots during the current warm weather season, and that this Ordinance shall be in full force and effect from and after its passage.

Dated: June 26, 2002

Tom:

We are pleased to submit the following proposal for the crack sealing project for State Route 162 in the Village of Spencer. I have also included a price for the sealing and striping of both city building parking lots.

We would do the parking lot sealing and striping toward the end of summer, or when you let us know you would like it done. I would like to try to schedule it in August if that is not a problem. As for the crack sealing, we would like to wait until sometime later in the fall to complete.

Crack Sealing State Route 162 from Corporation limit to Corporation limit.

Total cost for sealing major cracks on State Route 162.

\$ 9,875.00

Sealing and Striping of City Parking Lots.

Total cost for applying an ARMORFLEX SEALING SYSTEM with 2-5 lb. of sand per gallon to both parking lots. Re-stripe parking lots.

\$ 1,370.00

To accept this proposal, please mark accepted items and return a copy of this proposal.

Rick Baker
F&H Blacktop Sealing

NOTE:
Please ask us how we are going to apply the sealer on your blacktop areas. F-H Blacktop Sealing does not spray both coats.
