WHEREAS, the Village Water Treatment Plant is in dire need of having its electrical and lighting system reworked; and

WHEREAS, the electrical system is presently in a state of unreliability and constant breakdown and maintenance so that the adequate treatment of the Village water supply could be effected if the situation is not remedied forthwith; and

WHEREAS, the cost of said reworking of the electrical system will be paid for by the Firestone Fund for the benefit of the Village;

NOW THEREFORE, in accordance with Section 735.051 of the Revised Code of Ohio, BE IT ORDAINED by the COUNCIL of the VILLAGE OF SPENCER, OHIO, three-fourths of its members concurring as follows:
