

RESOLUTION NO. R-4-87

RESOLUTION EXPRESSING APPRECIATION OF THE VILLAGE OF SPENCER, OHIO TO CONGRESSMAN DONALD J. PEASE FOR HIS ASSISTANCE AND THAT OF HIS STAFF IN THE RECENT NEGOTIATIONS WITH THE OHIO ENVIRONMENTAL PROTECTION AGENCY CONCERNING THE SUGGESTED REBUILDING OF THE SANITARY SEWER TREATMENT PLANT OF SPENCER VILLAGE

WHEREAS, the Ohio Environmental Protection Agency had ordered the Village of Spencer to more or less completely rebuild its sanitary sewer treatment plant at great cost to the Village even though the existing plant was built according to government specifications only twelve years ago; and

WHEREAS, the Spencer Village elected officials and the Village Engineer considered such order by the Ohio EPA to be unnecessary to meet any legitimate health needs and would result in a very large unnecessary and therefore wasteful expenditure of the Village of Spencer; and

WHEREAS, the officials of the Village of Spencer appealed for assistance to Congressman Donald J. Pease, Representative 13th Congressional District of Ohio regarding such order; and

WHEREAS, Congressman Pease and his staff promptly undertook to look into the matter for the Village of Spencer after which a favorable ruling for the Village of Spencer was made by the Ohio EPA regarding the sanitary sewer treatment plant with no sacrifice of the interests of good public health;

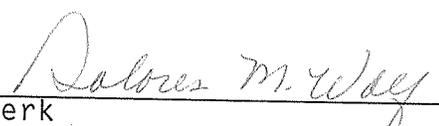

NOW THEREFORE, BE IT RESOLVED by the Council of the Village of Spencer that the sincere appreciation of all of the officials and the citizens of the Village of Spencer is hereby expressed for the fine work of Congressman Donald J. Pease and his staff in resolving this troublesome problem for the Village of Spencer.

RESOLVED FURTHER, that the Village Clerk is hereby directed to forward a certified copy of the Resolution to the office of Congressman Donald J. Pease.
