

RESOLUTION NO. R-18-01

**A RESOLUTION CONDEMNING THE DECISION OF
THE MEDINA COUNTY COMMISSIONERS TO
CLOSE THE MEDINA COUNTY HOME**

BE IT RESOLVED by the Council of the Village of Spencer, Ohio, three-fourths (3/4) of its members concurring herein as follows:

1. The Spencer Village Council does hereby condemn the decision to close the Medina County Home as adopted by the Medina County Commissioners. The Medina County Home has been supported by Medina County for years and years through good and bad economic times. It is a matter of highest priority that monies from the county be utilized to maintain a facility like the Medina County Home for elderly citizens. It is understood that maintenance of the Medina County Home is not a profitable venture. Nonetheless, a government that cannot find a way to maintain and support the Medina County Home after having done so for so many years is, in fact, not a good government and does not represent the real priorities of the citizens of this county. The decision to close the Medina County Home as a result of the fact that it cost the county money is indicative of moral and ethical decay. The Spencer Village Council respectfully requests

that the Medina County Commissioners reconsider their decision to
close the Medina County Home.
