

## **RESOLUTION R-1-12**

### **A RESOLUTION AUTHORIZING THE FUNDING FOR A COUNTYWIDE EMERGENCY NOTIFICATION SYSTEM AND DECLARING AN EMERGENCY**

There is an existing need for the capability for emergency and administrative notification to residents of Medina County in the event of the potential from either weather-related or human-caused incidents, as well as additional community notification needs. It is necessary to insure that those notifications be made in a timely manner to protect the public order, health, safety, and general welfare, and to preserve the lives and property of the residents of Medina County and each community; and

Each political subdivision agrees to have the Medina County Emergency Management Agency and the Medina County Emergency Management Agency Executive Board coordinate and enter into a contract to provide that service to each community; and

The Countywide Emergency Management Agency will invoice each political subdivision for the related costs through a yearly assessment, and that said assessment will be held in a special fund established for the purpose of providing the emergency notification system; and

The Medina County Emergency Management Agency Executive Board will annually approve a budget for the emergency notification system, each community's assessment rate will be based upon community population (Sample assessment attached hereto as "Exhibit A"); and

The Medina County Emergency Management Agency Executive Committee has determined that a review of the assessment and financial status of the special fund for the emergency notification system be done annually, and that necessary adjustments be made to insure the system will be available when needed; and

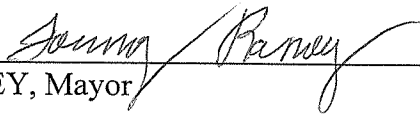

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of Spencer, three-fourths (3/4) of its members concurring herein, as follows:

That the Council of the Village of Spencer confirms that the resolution to provide an emergency notification system capability to the County and its subdivision shall remain in force; and we hereby authorize the Executive Board of the Medina County Emergency Management Agency to act in our behalf in providing the emergency notification system.

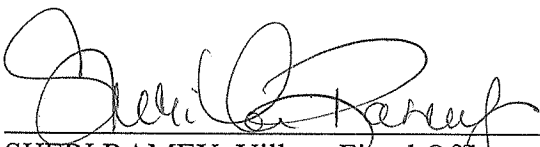

That this agreement may be terminated at any time by mutual agreement of the parties hereto, and may be terminated by any party at the end of any calendar year by action of its legislative authority and service of written notice thereof on the Executive Board of the Medina County Emergency Management Agency not less than ninety (90) days prior the end of said calendar year.

That this Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety, and welfare of the Village of Spencer, Ohio, and for the particular reason that the countywide emergency notification system needs to be up and running as soon as possible, and that this Resolution shall be in full force and effect from and after its passage by the Commissioners of Medina County, and its adoption by the respective legislative bodies of the other political subdivisions.
