

# Shahala PTO's Annual Fund Drive

The Shahala PTO supports the students and teachers of Shalaha Middle School by supplying classrooms with educational tools not provided by the school district. A few of the items that the PTO has purchased for the students include math materials, STEM materials, marimbas, sound system, and classroom books.

We have chosen to not ask you to sell anything and are instead asking for a small donation from each family. If every family at Shahala were to donate just \$10, we would have enough money to fund all the teacher grants for the year.

For a complete list of where the money raised is used, please see [shahalapto.com](http://shahalapto.com).

The homeroom class with the most envelopes turned in by Friday, January 18th (with or without a donation) will be entered in a drawing to win a donut party.

Please make checks out to Shahala PTO. All donations are tax deductible. Please e-mail [shahalapto@gmail.com](mailto:shahalapto@gmail.com) for a tax receipt.

Thank you for your support!
