DIPLOMACY, ARTS & CULTURE NEWS' FAVORITE NYC ART EVENT! New York City has officially dubbed **Fifth Avenue** from 82nd to 110th Streets "**Museum Mile**" because of the artistic treasures and cultural diversity of the museums located there. Come and join New Yorkers as they share their pride of the city with thousands of tourists from around the world. This is your opportunity to visit some of New York City's finest cultural institutions, which are open **FREE** to the public throughout the evening. Special exhibitions and works from permanent collections are on view inside the museums' galleries, with live music and art-making workshops at selected museums. Since activities are happening simultaneously it will be impossible to see everything that's being offered, therefore, you may want to contact the [MUSEUM MILE FESTIVAL ORGANIZATION](#) or the museums directly to find out their schedules to plot your course. DAC-News.com will be there to cover the event and we hope to see you there!
