In today's Gospel, the light is Jesus. Darkness means times when people feel scared, sad, lonely, or don't know what the right thing to do is. When it is dark, it's hard to see—but when a light turns on, everything changes.

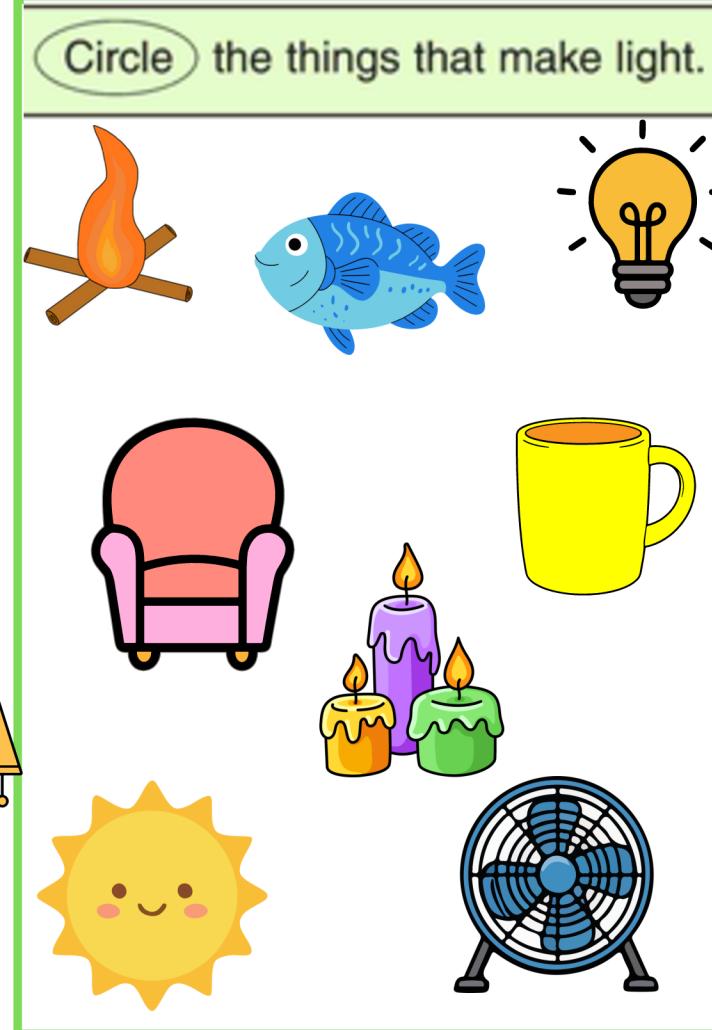

Jesus is like that light. He helps people see how to love, forgive, and choose what is good. When Jesus is with us, we are never alone, even when things feel hard. His love shines in our hearts and helps us be kind, brave, and loving to others.

JUST LIKE THESE THINGS LIGHT UP THE DARK, JESUS LIGHTS UP OUR HEARTS AND OUR WORLD.
