INDIANA'S LARGEST FOUR DAY WINE FESTIVAL

2026 SWISS WINE FESTIVAL • VEVAY IN

WILLKOMMEN • WELCOME

On behalf of the Swiss Wine Festival Board and the whole community, welcome to our 54th Annual Swiss Wine Festival.

Many years ago, a small group of neighbors in Vevay set out to celebrate something worth remembering: the Swiss settlers who first planted vineyards along this stretch of the Ohio River, and the winemaking tradition they carried across an ocean and put down roots with. What started as a modest gathering has grown into four days of wine, music, food, and family fun — but the heart of it hasn't changed. This is still a festival built by volunteers, for neighbors, to keep our heritage alive and give back to the organizations that make Switzerland County home.

Whether you're here for the Wine Pavilion, the Grape Stomp, the Concert Stage lineup, or just an evening on the riverfront with your family, we're glad you're here. Take your time, meet your neighbors, and raise a glass with us.

Prost, and welcome to Vevay.

Jeremy Harsin
President, Swiss Wine Festival, Inc.

ARTS & CRAFTS

HANDMADE & HOMEGROWN

Wander through over **50 arts & crafts booths** from makers across the region — handcrafted goods, local honey, homemade soaps and candles, and one-of-a-kind finds you won't see anywhere else. Something for every gift list, straight from the hands that made it.

**DANCE WITH THE LITTLE SWISS
POLKA DANCERS!**

GET DIRTY... GRAPE STOMP

Try your hand at the Grape Stomp! One of our oldest traditions — a barefoot, purple-stained rite of passage that connects every stomper to the Swiss settlers who first pressed wine along this riverbank. No experience required, just a good sense of humor.
