

ASSEMBLY drinks

Welcome to the all-day destination in the heart of Chester. We'll serve you barista coffee and artisan pastries by day, and cocktails, chilled beers and natural wines by night (and day if you like, too!). We embrace local and sustainable produce where possible and encourage quality interactions with friends and strangers alike (socially distanced, for now).

ASSEMBLY

wine

We select wines that are made using more sustainable and natural winemaking techniques than conventional wines. These wine contain far less, or none at all, chemical pesticides and herbicides, sulphites and animal-derived products that are commonplace in modern mass-market wines. Some wines will appear cloudier or contain more sediment than conventional wine as a result. In addition to being produced at smaller wineries, being more environmentally friendly and, arguably, tastier, wines with fewer chemicals are believed to reduce the chance of having a hangover the day after drinking!

All our wines are therefore naturally vegan, with the exception of the Bollinger Champagnes, which use non-vegan products to fine and filter their champagnes. None of these products remain in the end result.

white

125ml 175ml 250ml bottle

FALSE BAY SAUVIGNON BLANC 2020 5.0 6.5 8.0 23
