

Team Games Bot – Terms of Service

Effective Date: April 24, 2026

1. Use of the Bot

The Team Games Bot (“the Bot”), operated by Britt’s Bots, is provided to manage team-based events, scoring, and community features within Discord servers.

- Use the Bot in compliance with Discord’s Terms of Service and Community Guidelines
- Do not abuse, exploit, or disrupt the Bot
- Do not use the Bot for illegal or harmful purposes

2. Server Owner Responsibility

Server owners and administrators are responsible for configuring the Bot, managing roles and permissions, and ensuring proper use within their community.

3. Features & Functionality

The Bot may include features such as team assignments, scoring, Rumble Royale tracking, and nickname adjustments. Features may change at any time without notice.

4. Data Usage

The Bot stores limited data such as user IDs, server IDs, and event data strictly for functionality purposes. No sensitive personal data is intentionally collected.

5. Availability

The Bot is provided “as is” with no guarantee of uptime or reliability.

6. Termination

We may remove the Bot from any server that violates these Terms or misuses the Bot.

7. Limitation of Liability

Britt's Bots is not liable for data loss, server misconfiguration, or permission issues.
