

Poppy Bot — Terms of Service

Effective Date: 01/17/2026

Last Updated: 04/18/2026

1. Acceptance of Terms

By inviting, installing, or using Poppy (“the Bot”), you agree to be bound by these Terms of Service (“Terms”). If you do not agree, do not use the Bot.

2. Description of Service

Poppy is a Discord bot that:

- Monitors configured channels for Kirby spawn messages
- Sends alerts (server pings and/or direct messages)
- Allows users to manage personal alert lists
- Provides optional features such as global forwarding, summaries, and directory listings

The Bot operates only within servers where it has been invited and configured.

3. Eligibility

You must comply with:

- Discord's Terms of Service
- Discord's Community Guidelines

Server administrators are responsible for how the Bot is configured within their communities.

4. User Responsibilities

By using Poppy, you agree to:

- Not misuse or abuse the Bot's features
- Not attempt to reverse engineer or disrupt the Bot
- Not use the Bot for spam, harassment, or malicious activity
- Only configure the Bot in channels where you have permission

5. Server Administrator Responsibilities

Server owners and administrators agree that they:

- Are responsible for configuring the Bot correctly
- Must ensure they have permission to monitor selected channels
- Understand that the Bot will read messages in configured channels to function

- Are responsible for how alerts and pings are used in their server

6. Data Usage

Poppy only stores data necessary to operate its features, including:

- User IDs
- Server IDs
- Channel IDs
- Saved Kirby numbers and preferences
- Basic configuration settings

Poppy does not:

- Read private messages
- Store message content beyond what is required for functionality
- Sell or share user data

7. Direct Messages (DMs)

By enabling DM alerts, you consent to receive automated messages from Poppy based on your configured preferences. You may disable these at any time using bot commands.

8. Availability

Poppy is provided “as is” and may:

- Experience downtime
- Change features without notice
- Be updated or discontinued at any time

No uptime guarantee is provided.

9. Limitation of Liability

The Bot is provided without warranties. The developer is not responsible for:

- Missed alerts
- Incorrect data
- Server disruptions
- User misuse of features

Use of the Bot is at your own risk.

10. Termination

We reserve the right to:

- Remove the Bot from any server
- Restrict or block users or servers
- Disable features

This may occur without prior notice.

11. Changes to Terms

These Terms may be updated at any time. Continued use of the Bot constitutes acceptance of any changes.
