

Text Me Bot — Privacy Notice & Terms

Effective Date: February 24, 2026

Last Updated: April 24, 2026

1. Overview

Text Me Bot is a Discord-integrated service that sends SMS (text message) notifications when you receive direct mentions in Discord servers you choose to monitor. By using this service, you agree to this Privacy Notice and Terms, as well as Discord's Terms of Service and Community Guidelines.

2. Information We Collect

Text Me Bot collects only the minimum data required to operate:

- Your phone number
- Your Discord username and associated user ID

3. How We Use Your Information

Your information is used solely to:

- Send SMS notifications when you are directly mentioned in selected Discord servers
- Maintain your notification preferences

4. Data Sharing

We do not sell or rent your information.

We only share data as necessary to operate the service, including SMS delivery providers strictly for message transmission.

5. Compliance with Discord

Use of Text Me Bot must comply with Discord's Terms of Service and Community Guidelines. You may not use the service for spam, harassment, or abusive behavior.

6. Opt-Out & User Control

You may opt out at any time by texting STOP to unsubscribe from all SMS notifications.

7. Data Retention

Your data is retained only as long as necessary to provide the service.

8. Security

Reasonable safeguards are used to protect your information; however, no system can be guaranteed 100% secure.

9. Limitation of Liability

Text Me Bot is provided "as is" without warranties. We are not responsible for delayed or failed message delivery.

10. Changes to This Notice

We may update this Privacy Notice & Terms at any time. Continued use constitutes acceptance.
