

Vexa Privacy Policy

Effective Date: May 27, 2026

1. Information Collected

Vexa may collect server IDs, user IDs, role IDs, channel IDs, moderation logs, giveaway entries, and configuration data.

2. Purpose of Data Collection

Data is collected solely to provide functionality such as moderation, embeds, scheduling, giveaways, and role systems.

3. Data Sharing

Vexa does not sell personal data. Some data may be processed through third-party infrastructure providers.

4. Data Retention

Operational data may be retained for functionality, abuse prevention, debugging, or backups.

5. User Control

Server administrators may remove the Bot at any time.

6. Security

Reasonable efforts are made to protect stored operational data.

7. Children's Privacy

Vexa is intended for use through Discord and follows Discord platform requirements.

8. Third-Party Platforms

Use of Vexa is also subject to Discord's Terms of Service and Privacy Policy.

9. Changes to Policy

This Privacy Policy may be updated periodically.

10. Contact

For privacy inquiries, contact the Vexa support server or developer.
