

Puzzle Rush Terms of Service

Last Updated: April 2026

By using Puzzle Rush, you agree to these Terms. Puzzle Rush provides puzzle creation, collection, trading, progress tracking, rewards, and community engagement features. Server owners are responsible for proper configuration, permissions, and reward management. Certain features may require a subscription. Users may not exploit bugs, disrupt service, or use the bot unlawfully. Virtual rewards have no real-world monetary value. The service is provided as available without guarantees of uptime or availability. Puzzle Rush and Britt's Bots are not liable for outages, lost data, or consequential damages. Access may be suspended for abuse or violations. Terms may be updated periodically. Support: <https://discord.gg/VYWBfrKF3Q>
