

Britt's Bots Portal Privacy Policy

Effective Date

July 26, 2026

Information We Collect

We may collect account identifiers from supported authentication providers, profile information they provide, application settings, usage data, and information required to operate Britt's Bots features.

How We Use Information

To authenticate users, provide Portal features, synchronize bot settings, improve services, maintain security, and communicate important service updates.

Data Sharing

We do not sell personal information. Information may be shared with trusted service providers solely to operate the Portal or when required by law.

Data Security

Reasonable administrative, technical, and organizational safeguards are used to protect stored information. No system can guarantee absolute security.

Data Retention

Information is retained only as long as reasonably necessary to operate the Portal, comply with legal obligations, or resolve disputes.

Your Choices

You may request account updates or deletion where applicable, subject to operational and legal requirements.

Cookies

The Portal may use cookies or similar technologies to maintain sessions and improve functionality.

Children

The Portal is not directed to children under the minimum age required by applicable law or platform requirements.

Changes

This Privacy Policy may be updated periodically. The effective date will be revised when material changes are made.

Contact

Privacy questions may be submitted through the official Britt's Bots support channels.
