

Puzzle Rush Privacy Policy

Last Updated: April 2026

Puzzle Rush may collect Discord IDs, server IDs, channel IDs, role IDs, puzzle progress, trades, rewards, and configuration settings necessary to operate the service. Puzzle Rush does not intentionally collect passwords, payment card information, or personal identifying information beyond Discord identifiers. Data is used to operate the bot, maintain settings, process rewards, and prevent abuse. Puzzle Rush does not sell user data. Data may be retained as necessary for operation, security, and legal compliance. Support: <https://discord.gg/VYWBfrKF3Q>
