

Team Games Bot – Privacy Policy

Effective Date: April 24, 2026

1. Information We Collect

- Discord User IDs
- Discord Server IDs
- Team assignments and scores
- Configuration settings

2. How We Use Data

Data is used strictly to operate bot features such as events, scoring, and Rumble Royale tracking.

3. What We Do NOT Collect

- Passwords
- Email addresses
- Direct message content
- Personal identifying information outside Discord IDs

4. Data Storage

Data is stored securely and not shared or sold to third parties.

5. Data Retention

Data is retained while the Bot is active in a server or until removal is requested.

6. Data Sharing

We do not sell or share your data.

7. Security

We take reasonable steps to protect data, but no system is completely secure.
