

Vexa Terms of Service

Effective Date: July 11, 2026

1. Acceptance

By inviting or using Vexa in a Discord server, you agree to these Terms of Service.

2. Service Description

Vexa is a Discord bot providing moderation, automation, utility, ticketing, giveaways, achievements, reputation, scheduling, custom commands, and related server-management features.

3. Eligibility

You must comply with Discord's Terms of Service and Community Guidelines. Server administrators are responsible for how Vexa is configured and used within their communities.

4. Acceptable Use

You agree not to use Vexa for illegal activity, harassment, spam, fraud, malware distribution, or to violate Discord policies or applicable laws.

5. Availability

Vexa is provided on an 'as available' basis. Features, commands, and availability may change, be interrupted, or be discontinued without notice.

6. Data

Use of Vexa is also governed by the Vexa Privacy Policy. Only information required for bot functionality is processed and stored.

7. Premium Features

Some functionality may require an active Discord Server Subscription or other premium entitlement. Subscription benefits may change over time.

8. Limitation of Liability

To the maximum extent permitted by law, the developer is not liable for indirect, incidental, consequential, or special damages arising from the use or inability to use Vexa.

9. Termination

Access to Vexa may be suspended or terminated for abuse, policy violations, or misuse without prior notice.

10. Changes

These Terms may be updated periodically. Continued use of Vexa after changes constitutes acceptance of the revised Terms.

11. Contact

Questions regarding these Terms should be directed through the official Vexa support server or the developer's published contact information.
