

Established local construction company is currently accepting resumes for  
**GENERAL CARPENTER**  
for permanent full-time position.

As the **General Carpenter**, you will take direction from the Site Supervisor to complete daily jobsite tasks. Your key position will be to carry out general carpentry tasks that meet or exceed the intended use. You will demonstrate responsibility, respect and maturity at all times.

The Finish Carpenter will possess a broad range of carpentry skills but will be mainly performing the following duties in order to bring a project to completion and to be ready for occupancy:

- General Carpentry on site;
- Interior Finishing;
- Exterior Door & Window installation;
- Exterior Finish Trim installation;
- Interior Hardware installation;
- Closet Shelving installation;
- Appliance installation;
- Interior Stair Railings;
- Assist with all site works including excavation and backfill as well as site grading;
- Assist with all aspects related to the construction site;
- Assist in setup of small tools, dewatering pumps, lights, compressors and other tools as necessary;
- Assist with clean-up of tools equipment;
- Assist in maintaining clean job sites, tools, trucks and equipment;
- Will drive company vehicles as necessary;
- Will ensure all safety procedures and policies as per Work Safe BC are followed, including writing reports and holding safety meetings;
- Will ensure quality is maintained at all times;
- Will maintain clear and concise communication with Site Supervisor at all times;
- Will ensure all company rules are followed;
- Will complete and submit company paperwork;
- Must wear PPE at all times;

**Qualifications:**

- A Class 5 Drivers License is a requirement;
- Experience in residential & commercial construction is an Asset;
- Post secondary education in a Construction Related Field is an Asset.

Competitive wages with benefits package available.

We thank all applicants for their interest, however only those selected for an interview will be contacted. **Closing Date: February 28<sup>th</sup> 2021**
