

# SEASONS GREETINGS!

## FROM OAKDALE SHELTER PET ALLIANCE

Dear OPSA Friends & Generous Supporters,

It's that time of year again! We give thanks, spend time with loved ones, and share our blessings with others. With your support, OPSA continues to save and improve the lives of the homeless pets of Riverbank & Oakdale. On November 1<sup>st</sup>, 2022, the Oakdale Animal Shelter acquired the Escalon Animal Shelter. This brings many challenges to our already bustling animal shelter!

During 2022:

- OPSA made a **\$3,000 financial donation to the SNIP Bus (Spay Neuter Imperative Project)**  
On Sept 12, 2022 a total of 80 cats, feral and tame, were spayed and neutered on the mobile veterinary bus. OPSA collaborated with ASTRO (Animal Shelter to Riverbank & Oakdale) and Cat Network of Stanislaus to sponsor this successful event. Future visits from SNIP are in the works!
- OPSA has sponsored an ongoing **adoption special** to lower adoption fees. Fees for dogs have been lowered to \$50 (regular female fee is \$125 and male \$95) and \$25 for cats (regular female fee is \$65 and male \$55). OPSA pays the difference. The fees include the spay or neuter, microchip and vaccinations. Through this special, **140 shelter pets (dogs and cats) found loving new homes.**
- **Pictured below** are some Happy Tails Adoptions and medical procedures sponsored by OPSA.

Benson leg surgery

Your generous donations are needed more than ever! With the acquisition of the Escalon shelter more animals need our help. The shelter is full every day, adoptions are at record lows and rescues are overflowing. More animals mean more veterinary expense, additional spay/neuter costs and an increased demand for fosters.

**The animals depend on us. Can you help? Your financial support to our local animals is critical for our lifesaving work.**
