Your used car can become...

Food

Medicine

Rent

Why not make a real difference right in your community?

Why donate to the Society of St. Vincent de Paul?

One of the oldest and most effective charitable organizations in the world, the Society of St. Vincent de Paul (www.svdpusa.org) is a Catholic lay organization of more than 690,000 men and women throughout the world who voluntarily join together to grow spiritually and offer person-to-person service to the needy and those living in poverty in 142 countries on five continents. With the U.S. headquarters in St. Louis, Mo., membership in the United States totals more than 146,000 in 4,600 communities. Programs include home visits, housing assistance, disaster relief, job training and placement, food pantries, dining halls, clothing, transportation and utility costs, care for the elderly and medicine. Providing more than \$572 million in tangible and in-kind services, SVdP serves more than 14 million people in need each year, performs more than 644,000 visits to people in their homes, and delivers more than 7 million service hours to those in need.

When you donate your used vehicle to the Society of St. Vincent de Paul:

- Used vehicles may be turned into **critical items for those in need**, including food, clothing, shelter, care for the elderly, or medicine.
- Depending on its condition, your old vehicle may provide **transportation for someone in need**, allowing them the dignity of keeping a job to support a family.
 - The car will be picked up within 24 hours.
 - The tax paperwork will be sent back to you.
 - Best of all, unlike similar vehicle donation programs sponsored by other nonprofit organizations, your donation will be tied **directly to your community**. That means your contribution will **benefit someone in your immediate area**.

Neighbors helping neighbors...

Reaching out to those in need...

Your donation stays in your community
