

YOUR CHILD'S 2026 ROADMAP TO 11+ SUCCESS

with SPARKS Education

Summer revision course:

20th- 23rd July (3 hours per day)

Practice question and strategy workshops:

25th, 26th and 27th August

Keep learning fresh over the summer with our revision course, summer mock test and practice question workshops

Data maths workshop:

Saturday 16th May, 9-11am

Mental maths workshop:

Thursday 4th June, 3.45-5.15pm

In these final terms before the test, boost your child's understanding of key maths concepts and calculation skills, to help them access test questions.

Spring mock test

Saturday 18th April,
9-11.45am

Get a progress check and next steps for your child by booking them a realistic Kent Test exam. This is accompanied by scores and a feedback report for your child.

Non-verbal reasoning workshops

Saturdays, 1-2.45pm.

10th January, 7th March,

2nd May, 13th June.

Non-verbal reasoning makes up over 50% of the 11+ reasoning paper. Equip your child with this series of four workshops, covering all core non-verbal and spatial elements of the test.

Email info@sparks-ed.co.uk to book, or book via your **TutorBird** calendar (*existing tutees only*)

COSTS:

Keep learning fresh over the summer with our revision course, summer mock test and practice question workshops

TEST TIPS!

Over the summer, **re-cap on all reasoning question types** and focus on those you find hard. **Start timing yourself:** allow 40 seconds for non-verbal & spatial, and 30 seconds for verbal questions.

Look through maths questions and identify your **quickest method to solve**. Ensure you know your **times tables** (counting in 25s is also helpful) and fraction/decimal/percentage equivalents)

Read widely. **Explore new vocabulary:** look up words, find their definition, word class, and any synonyms and antonyms. If you can apply the word to your own sentence, you've probably learnt the meaning!
