NEW TO THE INDUSTRY?

If you are brand new to the industry, you will need to qualify as a lifeguard by completing the STA Award in Pool Lifeguarding qualification.

This qualification is designed to train learners in pool rescue, CPR techniques, first aid, and dealing with poolside emergencies in accordance with National Occupational Standards, Managing Health and Safety in Swimming Pools, British Standard BS EN 15288 Part 2 Safety Requirements for Operations, and the CIMSPA Employer Led Professional Standards – Pool Lifeguard.

To attend a course, you will need to:

- Be 16 years, or older, at the point of assessment
- Be able to jump into deep water
- Be able to swim 50 metres in under 1 minute
- Be able to swim 100 metres on the front and 100 metres on the back without stopping
- Be able to tread water for 30 seconds in deep water
- Be able to surface dive and recover an object from the deepest part of the pool
- Be able to climb out of the pool unaided without the use of steps or ladders.

YOUR LIFEGUARDING CAREER

TRAVEL WITH YOUR CAREER

As STA's qualifications are recognised internationally, you also have the option to travel with your career, opening up endless opportunities so you can explore and work at the same time.

Jasmin Harvey

"Getting to know other people is the best thing about being a lifeguard. Virgin Active feels like a family."

EARNING POTENTIAL

As with any other job, income for lifeguards can vary according to age, geographical location, skills, and experience. Lifeguards are typically paid by the hour and rates can start from the national minimum wage, £5.00 to £12+.

Lifeguards can progress after gaining experience, further training, and qualifications into tutoring, leisure or operations management, swimming teaching, pool plant operations, first aider, open water lifesaving, gym instructing, or even as a steppingstone into medical service roles.

It is a fantastic job to have that could open numerous doors within the leisure, lifesaving and first aid industries depending on individual career aspirations.

Jay Layachi

"The best thing about being a lifeguard for me is looking after people and helping them out. It's a great skill to have. I trained and got my lifeguard qualifications with Virgin Active. I love working out when I'm not on the poolside and I would like to be a PT here one day!"

STEP ONE

ARE YOU SUITABLE?

DO YOU HAVE THE SKILLS AND ATTRIBUTES TO MAKE A GOOD LIFEGUARD?

STEP THREE

FIND EMPLOYMENT

After you have qualified, you can apply to work as lifeguard.

STA has partnered with Leisure Opportunities to bring you the latest job vacancies for lifeguards across the country and internationally.

Many lifeguards start their career by securing work with leisure centres or with private pool operators, hotels, health clubs, etc to gain experience.

STEP FOUR

MAINTAIN YOUR SKILLS

As a qualified lifeguard, you will need to maintain occupational competency by undertaking regular ongoing training.

This is usually organised by the employer and covers elements of the theory, CPR, first aid, and pool skills including 'real life' scenarios, site-specific content, and fitness training.

You will also need to re-take the Pool Lifeguarding assessment every 3 years.

WHETHER YOU ARE NEW TO LIFEGUARDING OR ARE LOOKING TO EXTEND YOUR SKILLS AND KNOWLEDGE, STA HAS MANY QUALIFICATIONS AND CPD'S ON OFFER.

STA Award in Teaching Swimming

The first step in your swimming teaching career, teaching essential swimming skills, water safety and all four key strokes to participants.

Pool Plant Operations

The pinnacle of pool plant training, equipping learners with the skills and knowledge to fully operate and maintain a pool plant on a daily basis.

Open Water Safety

The Open Water Safety qualification aims to train personnel to act as safety cover in an open water environment for competent swimmers.

CREATING YOUR CV

Your CV is the first point of contact between you and an employer. Precise content, a clear structure and a clean design will help you make an impact.

- Keep your CV to a maximum of 2 pages**
- Stick to one clear font such as Times New Roman**
- Always use subheadings for different sections e.g. Personal Statement, Work Experience, Education, Key Skills, Interests and References**
- Research the company you are applying for and adapt your CV accordingly.**

ONCE YOU'RE A MEMBER OF STA, THE SUPPORT CONTINUES

Whether you're just starting out or have worked in the industry for years, you can gain recognition as a current and actively engaged professional with STA, a governing body within swimming and lifesaving.

YOU WILL RECEIVE:
