We Work Wholeheartedly.

At Nether Hill Farm, we will be there to guide you and provide behind the scenes support throughout your planning phase, including on your day.

A full-page photograph of a wedding couple in a lush garden. The bride is wearing a white gown with a long veil, and the groom is in a light-colored suit. They are standing on a grassy lawn, surrounded by dense green foliage and large trees. There are floral arrangements on the ground around them. The scene is bathed in soft, natural light.

the farm

Set on over 35 acres with an extensive country garden, Nether Hill Farm offers rambling paths, secluded lawns, rustic outbuildings and paddocks framed by majestic gums.

From undercover areas for pre-dinner drinks or the rustic warehouse venue space, Nether Hill Farm gives the chance to add your signature style to your day.

Nether Hill Farm offers a balance between country charm and simple elegance. The 1850's stone farmhouse, long lawns and gardens are the perfect backdrop for your ceremony, photos or pre-dinner drinks.

Choose your own caterer or select from our list of recommendations. The reception space, 'The Packing Shed,' provides a chance to change the pace, add your signature style, with options for seating up to 100 guests or 120 cocktail style using a selection of in-house furniture and lighting. An undercover outdoor area, 'The Pavillion,' provides a 'plan b,' option that has a unique balance of a garden experience, while protecting guests from the elements. Our kitchen has all the essentials to support your catering needs and vendors. Bring your own drinks or choose from our drinks package.

We look forward to seeing you at Nether Hill Farm.
