A Word From The Board President

*Dr. Betty Coleman
Board President*

To all of our staff, supporters, clients and everyone, everywhere who sacrifice to help support others. I am thankful and have a heart full of gratitude for the experience I have shared during the past year as Board President of Angel of God Resource Center, Inc.

Looking Back:

I have enjoyed the past year as Board President. It has been a truly rewarding experience. On June 16th, 17th, and 19th 2023, the agency celebrated Juneteenth. We had over fifty vendors that participated, also five Pastors and their churches who supported this event. We had our own Alderman of the 21st Ward, Ronnie Mosley in attendance. The citizens of Roseland and the neighboring communities; came out in force. The City of Chicago had all departments in the city participate with a roll call in the early morning, along with Channel seven news.

Accomplishments:

During the past year we have supported and guided five sub-recipient agencies, who have grown expeditiously under our support and guidance. The AICI Illinois Youth Investment Program and Illinois Worknet Systems, continue to grow and expand each year to accommodate more youth and young adults. F/Y 2023 we enrolled several hundred youth. We also enlarged our MOA (Memorandum of Agreement businesses), to help expose our youth to more career opportunities for future endeavors.

Looking to the Future:

Angel of God Resource Center, Inc. is in the process of spreading our wings, to obtain another property to help and support the citizens of Illinois, and the communities in the area. As Board President for F/Y 2024, we are looking forward to developing new programs that there is a great need for, Violence Prevention.

Domestic Violence in the high schools and bullying in our grammar schools. Both of these are a national concern and Angel of God Resource Center, Inc. is up to the task. Ms. Annie Smith is doing a great job as CEO of the agency, along with the Board of Directors, we will endeavor to expand our reach in the community by developing new programs to meet the needs of the people and improve their lives. On behalf of the other Board Members and myself as Board President, we are indeed proud to continue to excel and to help grow this agency as we continue to reach higher heights.

Sincerely,

A handwritten signature in black ink that reads "Dr. Betty Coleman". The signature is fluid and cursive.

Dr. Betty Coleman
Board President
Angel of God Resource Center, Inc.

Greetings

It is with an extended hand and a joyful spirit we at Angel of God Resource Center, Inc. (AOGRC), thank you, for allowing us to serve you, our clients, our partners, our funding sources and for all the support and resources we have received throughout the year!

We are delighted to know you and excited to share with you the marvelous ways in which our services have impacted thousands of community residents throughout the Chicagoland area and the State of Illinois.

Annie Smith
Executive Officer

Special thanks goes to our staff for implementing all our program services. AOGRC offers our clients a wide variety of services available to empower, encourage to educate and help them achieve positive outcomes.

History

History of Angel of God Resource Center, Inc.

Angel of God Resource Center, Inc. (AOGRC) is a not-for-profit 501(c)(3) organization was founded in 2007 and incorporated on March 11, 2009. We have been providing job training and placement services since 2007. With a strong focus on providing Life & Health, Property & Casualty Insurance program, ASE Certification (Automotive Technician). AOGRC is a vocational school approved by the Illinois Board of Higher Education, an approved Workforce Development and Veteran training site and Department of Human Services/Division of Rehabilitation Services (DHS/DRS) approved training site for person with disabilities.

The mission of Angel of God Resource Center, Inc. is to provide support services designed to enhance the lives of our participants and business community. This is accomplished through our after school programs which provides a safe environment and STEM programing for youth ages 6-18. We also provide opportunities for job training and placement through our Illinois Youth Investment Program (IYIP), Training Observation Practice Program (TOPP) in Automotive Services, Financial Services Program (FSP), apprenticeship programs and other training programs which serves Veterans, persons with disabilities and low income families. AOGRC also serves as a City Assist Agency to assist businesses in obtaining MBE/WBE/DBE certifications.

AOGRC was organized and birth in 2007, out of the home of the prior Board President, 115th S. Watkins. In 2008 the organization moved to 117th S. Vincennes, Chicago IL 60643 and later we expanded and moved to 7421 S. King Drive lower level which became the main office with 2 part-time employees and volunteers. In 2009 AOGRC moved to 14527 S. Halsted Street, Riverdale IL 60827 which became the main office until we move to 10824 S. Halsted in Chicago. During that time, our staff has increased from 2 to 5 part-time employees along with many volunteers. Today, we currently employ 30 people and work with many volunteers through National Able and National Caucus and the Supplemental Nutrition Assistance Program (SNAP), CCRC and CURES program. We continue to seek ways to fill the service gap and collaboration to empower families.

History Cont.

AOGRC participated in many community events, Women Against Violence, Mentoring and Grant Writing Assistance. In 2010 the agency implemented a Violent Prevention program for 50 students through the Illinois Department of Violent Prevention Authority. We also served as a fiscal agent for Better Life for Youth and provided mentorship, training and tutoring for 50 youth ages 6 to 17.

AOGRC Chief Operating Officer, Annie Smith, executes the automotive & insurance job training and placement. The program has been in existence since 2009 and continues to thrive. Three Participants have started their own automotive service program and over 200 individuals were placed in jobs from FY2013-FY2016. Two of our clients started providing homemaker services for seniors and one with a transportation company. Twenty (20) participants were military affiliated.

The automotive and insurance service components are inclusive of assessment, curriculum and practice training, servicing 12 to 50 persons. Servicing those with disabilities, veterans, small business owner's year around. We continue partnering with organizations such as the Illinois Small Business Development Corporation (SBDC) at Far South, Greater Southwest Development Corp. and Veterans Education & Training Section (VETS). AOGRC, S & E Towing Automotive Services and David's Auto (David Acosta, Owner, ASE Master Mechanic) has been in operations for over 12 years providing hands on automotive training for participants to become ASE-certified technicians.

Our Automotive (Training Observation Practice Program-TOPP) and Financial Services Program (FSP) are our signature programs and are approved by the Illinois Board of Higher Education (IBHE) and WIOA approved. Check out their website.

Programs

The AOGRC Illinois Youth Investment Program (IYIP) is a year round grant opportunity that requires a holistic approach to unsubsidised employment for transition-age youth (16-24). This approach will account for the youth's physical, emotional, social, and mental health needs while helping them to secure and sustain employment and/or achieve higher education ensuring a greater likelihood of success and self-sufficiency. In an effort to foster healthy, safe, well-educated, and self-sufficient transition-age youth in Illinois, to provide eligible youth with educational enhancement opportunities, full and part-time job placements, and case management services to include life skills, counselling and work readiness for both in-school and out-of-school youth.

Supplemental Nutrition Assistance Program Employment & Training (SNAP E & T): The Supplemental Nutrition Assistance Program Employment & Training (SNAP E & T) Program is a self-support program to help customers acquire work skills and find employment. Through the AOGRC Project NOW (Need Of Work) Program, we help customers with work-related expenses for the first 30 days of a job, for ages 18 through 49. Participation in the program enables AOGRC participants gain work skills and experience, meet the federal work requirement and become self-sufficient.

Milestone Program: is a state-wide program under the direction of the Department of Human Services - Division of Rehabilitation Services (DHS DRS) Job Training and Placement Vocational Rehabilitation Program. The program assists individuals with various disabilities in obtaining and maintaining community based competitive employment and measures success at 15, 45 and 90 days of competitive employment.

Competitive employment is integrated employment within the community which pays the Customer (employee) at least minimum wage or a wage commensurate to the prevailing wage and applicable fringe benefits. AOGRC uses job matching techniques to assist individuals in identifying specific jobs or potential employers that are available and accessible in the community. It is also an opportunity for AOGRC customers to gain a college level credential.

WIOA: The Workforce Innovation and Opportunity Act (WIOA) was signed into law on July 22, 2014. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. WIOA brings together, in strategic coordination, the core programs of Federal investment in skill development:

Employment and training services for adults, dislocated workers, and youth and Wagner-Peyser employment services administered by the US Department of Labor (DOL) through formula grants to States; and Adult education and family literacy programs as well as State Vocational Rehabilitation Services programs that assist eligible individuals with disabilities in obtaining employment; both core programs are administered by the U.S. Department of Education (ED).

Automotive Training Program: An approved WIOA program, the Training Observation Practice (TOP) program geared for students who are interested in gaining an Automotive Service Excellence Certificate (ASE), which is recognized by the Automotive industry. The TOP program has three categories a student will learn about. "Under the Hood" (A1-A9) or The "Auto Maintenance and Light Repair" (G1), this training provides a condensed workload of the courses provided and then "Collision" (B1-B5).

Financial Services Program: An approved WIOA program. The Financial Service Program (FSP) has two categories a student will learn about "Life and Health" then "Property and Casualty". Students completing our program will be eligible to sit for the Illinois State License exam, which allows individuals to sell insurance in Illinois, be employed in a 9 to 5 high wage position as an underwriter, adjuster and many other positions.

Teen REACH Program: The goal of the Teen REACH program is to expand the range of choices and opportunities that enable, empower and encourage youth to achieve positive growth and development, improve expectations and capacities for future success, and avoid and/or reduce risk-taking behavior. Specifically, this means providing youth with safe environments and caring adults, and guiding them toward educational success, marketable skills and opportunities to serve their communities.

Programs con't

The AOGRC Teen REACH program provides the following prevention-focused core services; additional services appropriate for the youth families and community are also provided such as Trauma Informed, Yoga and Science, Technology, Engineer, Arts and Math (STEAM):

- ☐ Improving academic performance
- ☐ Life skills education
- ☐ Parental involvement
- ☐ Recreation, sports, and cultural and artistic activities
- ☐ Positive adult mentors
- ☐ Service learning
- ☐ STEM

Seniors Services: AOGRC partners with National Able, National Caucus and Center on Black Aging, Inc. and CAPS to provide hands-on training and work experience. Our Seniors Service program enhances the quality of life and empowers the ability for Senior to work and to participate in the community. Our services are designed to help aging citizens return to work while motivating them to remain active in their communities.

EJC (Emma Johnson Conner) Scholarship: The EJC (Emma Johnson Conner) Scholarship was formed in 2014/2015 out of the love, caring and commitment of the late Emma Johnson Conner. We have awarded five scholarships to this date.

The Emma Johnson Conner (EJC) scholarships are awarded to students in recognition of both academic excellence and community service. This memorial scholarship honors high school seniors who value public higher education and is offered through the generosity of Emma Johnson Conner and Angel of God Resource Center, Inc. (AOGRC).
