

## **2021 TOYS FOR TOTS**

The ACCC would like to invite the BCC to join us as we make our annual pilgrimage to the Marine Corps Museum in Stafford to deliver Toys for Tots gift donations. This year's delivery will be on Saturday, December 4.

**Please put the date on your calendars.**

This year we will once again assemble at 11:00am at the Hilldrup Moving and Storage Facility, 4022 Jefferson Davis Hwy, Stafford, VA 22554. We will depart for the museum at 11:15am. **Last year we filled eight large cartons with toys, let's do even better this year!!!**

Due to ever changing corona virus figures, it is hard to say at this point if the Tun Tavern will be open for lunch, but I will monitor the situation and keep you advised. If you have never been there, legend has it that the Marine Corps was founded in 1775 at the original Tun Tavern in Philadelphia. The décor is that of a colonial era tavern and offers a full luncheon menu.

I would like to keep track of attendees. Please have your members sign up with me at [stephfa@comcast.net](mailto:stephfa@comcast.net).

Thanks,
