

2026 Scholarship Opportunity

Full Day Psychodrama Workshop: Giving Grief a Place to Go
6 Clinical CE Credits Approved by NASW-NJ
Friday August 21, 2026
10am-5pm

In-person workshop at Psychodrama New Jersey
220 Monmouth Road, Suite 7
Oakhurst, NJ, 07755

Two full scholarships for this workshop are available through the fundraising efforts of **Love From Lydia**, a 501(c)(3) organization. Please visit www.psychodramanj.com for more information.

The mission of Love From Lydia is to provide support to grieving families following the loss of a child. This includes encouraging mental health professionals to seek out specialized training in grief, loss, and trauma, increasing the competency and availability of trained individuals to help bereaved families more effectively. The scholarships are given in memory of Lydia Schwartz.

Eligibility

- LSW, LAC, LCSW, and LPC clinicians licensed in NJ. Special consideration will be given to those who have graduated from their program within the last five years.
- If the applicant is not licensed, they must have graduated within the last six months and have passed the licensing exam in their field.
- Interest in working with grieving families, particularly with parents who have experienced the death of a child
- Special consideration will be given to those clinicians working in community mental health agencies, in-network with government and commercial insurances, and/or offer low-cost or pro bono sessions. If this is applicable, please include this in the application.
- Must commit to attending the full-day training.

Expectations if Offered the Scholarship

- Share feedback on the training.
- If available through your practice, you will be included on a referral list of providers given to families looking for therapeutic services.

Applications must be submitted by July 1st, 2026 and will be reviewed by the Love From Lydia Executive Board. Recipients of the scholarships will be notified no later than July 21, 2026
