

**Fairwood Greens Homeowners Association
Monthly Board Meeting of Trustees
March 22, 2022**

President Bonnie Lyon called the monthly meeting of the Board of Trustees to order at 7:00 p.m. at the Fairwood Golf and Country Club.

A quorum was present. Trustees in attendance were Jordan Bergeron, Jim Canterbury, Steven Jackson, Lisa Lord, Bonnie Lyon, Lois McMillan, Mark Powell, and Steve Schmidt. Robert Bradley was absent. Two homeowners attended the meeting.

Official Business

Approval of the Minutes: Jim Canterbury

MOTION: To approve the February Minutes as submitted. **Second:** Yes. **Discussion:** None. **Opposed:** 0. **MOTION CARRIED.**

Review of Annual Calendar: Jim Canterbury

Up to date.

Greeter's Report: Lenore Lee

The Greeter greeted six homeowners and one renter.

Homeowners Comments

A homeowner request^{ed} the Board provide more visibility of major HOA expenditures. The Board should take aggressive steps in going paperless.

A homeowner said packages were stolen from his porch on 2/4/22. He would like to be on a taskforce to catch the individuals. He appreciates Mark Powell's help on architectural issues.

Committee Reports

Executive Committee: Bonnie Lyon

Homeowners, be neighborly! These issues receive the highest complaints among homeowners.

- **Clean up after your pets!** Keep dogs on leashes throughout the community.
- **Keep pathways clear.** Don't park on sidewalks and ensure 180 deg illumination of sidewalks.
- **Mind traffic speed.** Saving a few seconds traveling at higher speeds does not impact your arrival times, but may impact lives due to your carelessness.

A homeowner inquired about the requirement of 67% approval for changes to the CC&R: "any changes require 67% approval by the association of 1,500 homeowners." -

To change the requirement to 50.1% or majority rule to change the CC&R, at least 67% of the total membership would need to vote yes. To accomplish 1,005 votes has been from past experience impossible.

~~It is a good question.~~ If the CC&R should require amendment, we will consider the request to change for the percentage.

Common Property Committee: Jordan Bergeron

- Allen Park Work
 - Fencing work for both courts is schedule to occur in April
 - Thank you to Judy Todd and Neil Poussier for planting the new shrubs along the basketball court
 - Continued thanks to Neil Poussier for helping manage park work activities
 - Thank you to Bonnie Lyon for taking care of the moss growing on the roof of the Allen Park shed
- Special Projects
 - Playground Equipment Subcommittee – A survey has been sent to collect input from residents on the next stages for Allen and Toddler Park. We encourage everyone to make your voice heard. We will share the results of the survey in April
 - Wildlife Control – Committee with working with King County and other organizations to manage wild life activities in common spaces

Communication Committee: Bonnie Lyon

A communication subcommittee continues to review current communication methods, address homeowner concerns, and update communication plan. Four people have volunteered to work on improvements, with thanks to: Charlie Baltazar, Jenny Buron, Mary Kay Cronk, and Brian Schantz, along with two board members, Mark Powell and Bonnie Lyon, and our office manager Judy Seidel. The association’s website continues as the primary site for all information, records, and CC&R and R&R access. A new website is currently under testing. The committee is advancing on adding a Facebook page (for residents only). This will another opportunity to communicate emergent activities in the association with links to the website. Communication from homeowners is only curated through mail or email.

Questions from homeowners at HOA meeting 2/22/22;

1. Is data collected by the speed signs? Are they in both directions on Fairwood Boulevard?

I talked to King County about painting speed signs on the pavement and was referred to State Law? Ticketing may not solve the problem.

Yes, data is collected by the speed trailers, but not the permanent signs.

Yes, there are two permanent speed signs, one in each direction on Fairwood Blvd.

We encourage you to continue with this investigation. When you have a definitive answer, please let us know and the FGHA board will review what we can do.

You bring up very important concerns that are shared by many homeowners. I live on SE Fairwood Blvd and two years ago, I contacted unincorporated King County Road Department. As you may know, FGHA is entirely in unincorporated KC. I made a request to put a speed detect trailer out in front of my house going in the east direction of SE Fairwood Blvd. This began a process of scheduling and deploying the speed trailers with a routine swapping each direction every 4-6 weeks, depending on the availability of trailers. When one week deployment was done, I requested to set up the next convenient time on the opposite side of the street. Last fall, the KC Road Dept installed permanent mountings on sign posts in the east direction and then a mile or so eastward, again on SE Fairwood Blvd going in the west direction. They then rotate speed detect signs around on these permanent mountings elsewhere in the greater Fairwood area. We have observed that these speed signs do effectively remind people to slow down. Of course, there will be people who ignore anything put in front of them.

King Country Roads currently have 5 speed detector trailers that can be requested to be deployed around their responsible area. They currently have 50 of the speed detector signs rotating through 80 locations, where there are permanent mountings on sign posts. KC says they would like to see more of the permanent mountings on sign posts within FGHA. The demand would come from how many FGHA residents are asking KC road dept for it, as well as reporting excessive speeding.

The FGHA Board has discussed the topic of purchasing and deploying speed detect signs and gathered quotes to support this possibility. Speed detect signs, batteries, optional solar panels, etc. range from \$5,000 and more each. There are additional challenges to this, such as where to install them and are there existing posts to install to, or would new posts need to be installed and would the neighboring HO support that. In addition, who would maintain them? As you may know, the streets, the sidewalks and the parallel right of ways are owned by King County Road Dept. We would need to get their support and cooperation.

As you may have heard during previous meetings, KC Officer Shirley mentioned they have been issuing warnings and tickets to speeders within FGHA. The FGHA also pays for extra KC Sheriff patrols using volunteer officers outside of their normal working hours.

Our recommendations at this time are;

a. Contact King County Road Services Dept 24/7 helpline: 206-477-8100 or 800-527-6237.

Request a speed detector trailer for your problem location.

Non-urgent issues email: maint.roads@kingcounty.gov.

<https://kingcounty.gov/depts/local-services/roads/services.aspx>

b. Call non-emergency King County Sheriff: 206-296-3311 or file an online report of excessive speeding at observed location.

- ~~• Scalp your lawn by mowing as low as your mower can go. It may take up to 3 "step-down" mowing to accomplish this. This scalping will expose most of the moss plant.~~
- ~~• Apply granular Ferrous Sulfate (Iron) at a rate of 3 pounds of product per 1000 square feet~~
- ~~• After the lawn turns black, thatch.~~
- ~~• Spread re-seed at a rate of 10 pounds per 1000 square feet.~~
- ~~• Feed with starter fertilizer.~~
- ~~• Keep the surface moist and within 7-10 days you should see the sprouting of your new lawn.~~
- ~~• Within the following two weeks, you should be mowing on a regular basis.~~

~~**War on weeds:** Avoid fines for weeds on sidewalks (and any hard surface), use 100% strength white vinegar. It provides an effective and inexpensive way to kill moss.~~
