*The estimates are based on historical results. Individual results may vary based on your ability to save sufficient funds to complete a debt resolution agreement, the creditors in your individual portfolio, and amount of debt enrolled. We cannot guarantee that your debt balances will be lowered by a specific amount or that you will be debt-free within a specific time period. Any use of "debt-free" only applies to accounts that are successfully enrolled and upon program completion. Debtmerica, LLC is an enrollment agent for debt settlement programs and engages third-party companies to provide back-end services. If you are enrolled in a performance-based program, Debtmerica and/or the back-end service provider will not receive any fees until the terms of your debt have been altered with one or more of your creditors. However, if you are enrolled in an attorney-based debt settlement program, then Debtmerica and/or the back-end service provider may receive fees prior to any settlement being obtained with a creditor. While programs work aggressively to reduce your debt balances, creditors are under no contractual obligations to accept settlement offers from our service providers. We do not assume consumer debt, make monthly payments to creditors or provide tax, bankruptcy, accounting or legal advice and we do not provide credit repair services.
