Rumson

As a licensed New Jersey Realtor® since 2002 and a former stock and foreign currency options trader for 16+ years, I understand both the real estate and financial services markets. I pride myself on my integrity, high business standards, and consistent client successes.

Currently a full-time Realtor® with VRI Homes, I am passionate about helping my clients reach their real estate goals, always putting them first. My positive attitude and philosophy is to “go beyond what my clients expect... way beyond.” This, coupled with being a service- and results-oriented real estate advisor, has provided me with a long list of lifelong satisfied clients.

I use a systematic approach to home buying and selling. This approach, combined with my business experience and negotiation skills, has consistently enabled me to achieve my clients' goals. I understand how to position a home in the market for my sellers, as well as seek out just the right home for my buyers.

As an expert in the luxury real estate market, I have earned the CLHMS designation (Certified Luxury Home Marketing Specialist), as well as multiple real estate certifications, including:

- Certified Residential Specialist (CRS)
- Certified Distressed Property Expert (CDPE)
- Graduate, REALTOR® Institute (GRI)
- Real Estate Negotiation Expert (RENE)
- Member, National Association of Expert Advisors

I am a member of the New Jersey Association of REALTORS®, the National Association of REALTORS®, and the Monmouth County Association of REALTORS®.

I reside in beautiful Monmouth County, New Jersey, where my daughter and two awesome grandchildren also live. I have a Bichon Frise puppy named Lollipop, who is the love of my life!
