Dearest AAAGW Members-

I hope this letter finds you in good health and high spirits. On behalf of the Board of Directors of the Algerian American Association of Greater Washington I wanted to extend my warmest wishes to the Algerian American Community as we celebrate two significant moments in history that symbolize freedom, liberation, and independence.

Firstly, I want to wish you a joyous and Happy 4th of July! On this day, Americans come together to commemorate the signing of the Declaration of Independence in 1776, which laid the foundation for the United States as a nation built upon principles of liberty, justice, and equality. It is a time when we reflect upon the sacrifices made by the founding fathers and the brave individuals who fought for the values, we hold dear. May this day inspire us to cherish and protect the freedoms we enjoy, and may it serve as a reminder of the unity and strength that comes from diversity.

In addition, I extend my heartfelt congratulations on the 61<sup>st</sup> Algerian Independence Day, which falls on the 5th of July. This day holds an immense significance for our beloved Algeria and its people as it marks the country's liberation from colonial rule in 1962. It is a time to honor the struggle and sacrifices made by Algerians in their pursuit of self-determination and national sovereignty. Let us celebrate the rich heritage and cultural diversity that Algeria brings to the world and may the spirit of independence continue to inspire progress and unity within our community.

The coinciding dates of these two celebrations serve as a reminder of the shared values we hold as citizens of diverse backgrounds living in the United States. Both Independence Days highlight the resilience, determination, and spirit of the people who strive for a better future, free from oppression and injustice.

As we commemorate these occasions, let us also acknowledge the importance of fostering stronger bonds between our communities. It is through understanding, dialogue, and collaboration that we can build bridges and work together towards a more inclusive society, where everyone has equal opportunities to thrive.

On this joyous occasion, I encourage our Algerian American Community in the Greater Washington area and beyond to join hands in celebrating the vibrant tapestry of cultures that enriches the United States.

Once again, I extend my warmest wishes for a Happy American Independence Day and a Happy Algerian Independence Day. May these celebrations bring joy, unity, and prosperity to all.

Sincerely,

AAAGW President
