The Human Experience

The late Dr. Clyde Sandgrin prior to the discovery and naming of active ingredients in humic extract solutions later found to be fulvic acid mineral complexes made the following public statement:

"If I had to chose between the mineral and electricity, electricity would have to go."

Reported claims of benefits are little short of astonishing.

For internal use they are:

Increased energy
Alleviates anemia
Chelates body toxins
Reduces high blood pressure
Potentizes vitamin & mineral supplements
Magnifies the effect of herbal teas and tinctures
Chelates all monovalent and divalent metals
Is a powerful natural electrolyte.
