ACID REFLUX

Hey 78 Minerals!

I just wanted to check back in with you..... Been taking your pills and now my whole family calls them "Magic Pills" Ha-Ha.

I had been dealing with major acid Reflux and couldn't get a single meal down without something getting stuck in my throat, after two weeks of taking your 78 Mineral Pills I have not had a single issue.

I will need to place an order for more..... and both my mom and my aunt would like to purchase a bottle as well.
