A Northern Virginia-based multidisciplinary Protective Security Services (PSS) provider  
**Personal Security | Close Protection | Private Investigation**

*Despite being well prepared to respond to client emergencies, in our practice we believe an ounce of prevention is worth a pound of cure. It's for this reason we train, consult, and work with clients to investigate, prevent, and protect against a wide variety of unforeseen situations and events. We also provide special EMS solutions for security and protection personnel and businesses. Licensed by the Virginia Department of Criminal Justice Services (DCJS) as a Private Security Service Business (ID: 11-18032)*
