Alexandria, Virginia 22301

Dear Mr. Barone,

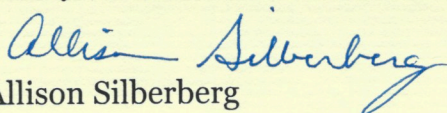

Congressman Raul Ruiz has been very thoughtful to write the Alexandria City Council about what happened on the American Airlines flight last October. I would like to extend my personal thanks to you for helping a passenger in distress. You have made us all very proud.

Thank you for displaying courage and making a significant difference in the life of another.

Enclosed you will find a copy of the Congressman's letter, as well as my letter in response to him.

Thank you for all you do for our community and our nation.

All my best,

Allison Silberberg
