

# LASER SERVICES DIRECT

## WHAT TO EXPECT

Inspect → Demonstrate → Quote → Clean (Often Same Day)

1

### STEP 1: SCHEDULE YOUR VISIT

Contact us to gather project info and schedule convenient time.

2

### STEP 2: ON-SITE INSPECTION

We evaluate material, surface condition, contamination type, access and safety needs.

3

### STEP 3: TEST CLEAN DEMONSTRATION

Live demo so you see results firsthand and confirm expectations.

4

### STEP 4: ON-SITE QUOTE

Clear pricing based on time, items, setup complexity, safety requirements. No guessing, no surprises.

5

### STEP 5: CHOOSE YOUR OPTION

Same-day service **OR** schedule for later.  
No obligation after test clean.

6

### STEP 6: SERVICE PERFORMANCE

Controlled safe work area, accurate time tracking, before/after documentation.

7

### STEP 7: FINAL REVIEW & PAYMENT

Inspect finished work, final invoice, payment collected, receipt issued.
