Chris Finney - Junior Section Manager - Rowledge Cricket Club

“Rowledge CC are very happy with the service received from RAM over the past few years. We are always striving to source top quality kit which is competitively priced for our 30+ ECB qualified coaches. The equipment and balls from RAM allow us to provide quality training for the hundreds of boys and girls enjoying their cricket at our thriving village club. RAM has been fantastic in helping us achieve this goal.”

Hampton Hill CC - Rob Fullicks - Club Captain

“We began using Ram at the start of the 2018 season and we have been very pleased with the service received since then. We are delighted with the quality of all the clothing supplied, including our junior playing shirts and polo shirts for our Kwiks. We also purchased a large amount of training kit and casual wear, all of which the membership loved. There was a huge selection of designs and colours available which was perfect. Ram also supplied us with our new Gazebo/Marquee which we have been very pleased with and is of very good quality. All in all, we as a club are very excited to be using Ram Cricket for the coming season and hope to continue this relationship for the foreseeable future.”

Chris Adams - Head of Cricket - Seaford College

“We are delighted with the service we get from Ram Cricket. The high quality of equipment is matched by the efficiency of delivery and ever friendly customer service. A first class operation.”
