SAFETY CONCERN

Several members have reported being concerned about the safety of unsupervised children riding bikes, scooters and such in the street, in other people's yards, and in other people's driveways. More than one incident has occurred where a driver had to slam on their brakes to avoid hitting a child. For safety's sake, please review safety protocols and neighborly etiquette with your children. Children should not be playing or riding in yards or driveways that are not their own unless given permission. Let's keep our kids safe. Everyone slow down and be cautious!

PRESIDENT'S CORNER

The HOA Board is looking forward to opening the pool and clubhouse area hoping everyone has a great spring and summer! You will notice the playground area has been refurbished. We continually strive to keep our common areas looking good while being frugal with our HOA finances.

On another note, safety and security are important to all HOA members. Remember to be vigilant, lock your cars, and report any suspicious activity/incidents to the police and the board. Together we are the neighborhood watch.

A MESSAGE FROM OUR TREASURER

Thank you for paying your dues on time! I would also like to thank those of you that have taken your time to let me and the board know that you appreciate our efforts. Although never necessary or expected, it does bring a smile. Don't forget that Community Blast emails are available. Email requests to Pinegrovehoa.org@gmail.com. May each of you have a safe and happy spring.
