

Verifying Out-of-Network Insurance Benefits for Psychological Testing

You may use the following script when calling your insurance provider to inquire about out-of-network reimbursement:

Suggested Questions to Ask Your Insurance Provider:

1. **Do I have out-of-network benefits for mental health or psychological testing services?**
2. **Are psychological or neuropsychological evaluations covered under my plan?**
 - o If so, **what diagnosis codes and CPT codes** are required for reimbursement?
(CPT codes typically used include: **90791, 96136, 96137, 96130 or 96132, 96131 or 96133, 90846 or 90847**)
3. **Does my plan cover educational testing?**
(*Note: Most plans do not cover testing done solely for academic or school-related concerns.*)
4. **Is pre-authorization or a referral required before beginning services?**
5. **Have I met my out-of-network deductible?**
6. **What percentage of the cost will be reimbursed after I meet my deductible?**
7. **Where do I submit claims, and what documentation is required?**
