**Credit Card Authorization**

**Initial**

In order for any absentee or phone bids to become active, a valid credit card must be on file. We will contact you once the form is emailed to us to add the credit card information to your account. The card on-file will be charged 4 days after the close of the auction if arrangements for payment are not made.

**Condition Reports:**

**Initial**

The absence of a specific condition report does not imply an object is free of any defects. It can be assumed that ALL items are in vintage or antique condition and show signs of wear and age commensurate with their age and use; this might not be specifically mentioned in the condition report. Please note, all photos are also part of the condition report, and should be thoroughly examined. Please contact us PRIOR TO THE DAY OF THE AUCTION with any questions regarding the condition of specific items. Condition reports will NOT be given the day OF the auction or AFTER purchase. These reports are provided as a courtesy, we do our best do describe each item accurately, however, each item is still sold as is, where is.

**Phone Bids**

**Initial**

There will be a limited on the number of phone bids per lot. Any phone bid must have an opening bid of at least \$250. Please make sure you provide TWO working phone numbers. Please note what your alternative absentee bid is, in the event we are not able to reach you. We will make every attempt to contact you, but we are not held responsible if the phone bid cannot be made. Your alternative absentee bid will be executed should we not be able to reach you.

**Shipping/Pick up**

**Initial**

We do not offer in-house shipping. PakMail is our recommended shipper, they are the more expensive, yet safest option. Any overseas shipping must be done through PakMail. We will drop items off at UPS or FedEx for shipping, but we do not recommend them due to numerous complaints. Any items not picked up or shipped after 30 days will begin accrue storage fees of \$5 per day. When storage fees exceed the cost of the goods, or 100 days (Whichever is sooner) the items are considered abandon and Dargate shall take possession of the items with no obligation to the original buyer.

**Terms & Conditions**

**Initial**

I acknowledge that I have read, and agree to all terms and conditions posted online on one of our online bidding platforms.
