### 2018- 2019 Sponsorship Program

TX AFCC greatly appreciates the support of our sponsors. TX AFCC is an interdisciplinary and diverse association of professionals dedicated to improving the lives of all children and families through the resolution of family conflict. A sponsorship is a terrific way to have your organization's name associated with TX AFCC, our conferences, and the scholarships we provide.

Sponsorship plays a key role in helping us fund ongoing and innovative learning opportunities brought to us from local and nationally known professionals leading this field, to help fulfill our mission. It further provides scholarships to people who may not otherwise be able to attend events. You may choose from three sponsorship levels, each providing different benefits. If you are interested in sponsoring TX AFCC, please complete the application that follows.

We hope you will consider participating and we thank you for your support!
