

Registering your Mirabella Genio App

1. Please ensure your phone is connected to your Wi-Fi network. Download Mirabella Genio app From Google Play, the App store or by Scanning the QR Code.

2. For first time users, launch your Mirabella Genio app and tap on 'Register'
3. Please carefully read through our Privacy Policy and tap Agree to proceed.
4. You will now require inputting either your email address or your mobile number to register and then tap continue.
5. We will send a verification code to the details you have registered. When received, enter it in the verification code field, set your password and tap 'Done'.
6. Tap on 'Add Home' to enter your home name and set your location (you can untick any rooms that are not required or add new rooms)
7. Your account is now set up and you are ready to add your Mirabella Genio devices
