

Setting a Schedule for your Device

1. In your app, tap on the device you wish to set a schedule for.
2. Tap on 'Schedule' in the bottom right hand corner
3. Tap on Schedule and select the time you want your device to turn on
4. Select if you want this schedule to be repeated throughout the week
5. Hit Save and Ensure the 'Currently' setting is 'ON'

***Repeat the same steps to set another schedule to turn off the device at required time and ensure the 'Currently' setting is 'OFF'**
