

## OUR MISSION

To share in a vision for the future. An idea that will revolutionize how faith inspired filmmaking will impact our industry and the audiences who view these films.

## WHO ARE WE?

We want to support and provide resources to filmmakers in the development of artistically and financially successful inspirational entertainment, and engage in constructive bridge-building dialogue about faith conscious filmmaking with industry leaders and influencers from both the secular and religious space.

### BE PART OF CREATING A MEANINGFUL IMPACT

SouthCoast Alliance is a group of filmmakers, directors, actors, producers, and influencers who are changing the way faith inspired film is perceived. In this group we will not only enter Hollywood in a big way, but inspire audiences from all walks of life.

### ENJOY EVENTS AND NETWORKING OPPORTUNITIES

At our events you can expect vision casting, networking opportunities, connections, and great faith inspired relationships.
