

2023 Caddie Program Overview

The Glen Echo caddie program starts every year with an informational meeting where we invite all parents to accompany their children to the event. At the informational meeting we will talk about expectations, dress code, etiquette, etc. It is a great time to have all your questions answered. Caddie training must be completed before you may start caddying. Training is 8 sessions long and is not paid.

Most of the loops will be available on weekend mornings. You will be expected to arrive no later than 6:30 AM. Caddies are sent out by request or in the order in which they arrive.

Caddie Informational Meeting:

Wednesday, February 22nd @ 5:30 PM

Glen Echo Country Club – Olympic Room

Caddie Training Dates:

- March 7, 4:30-5:30 (Indoor Training)
