# Your Bedroom, Your Sanctuary

40YRS MANUFACTURING

With over 40 years of experience crafting bedroom doors, we know that quality isn't just important - it's essential.

Designed for Living. Built with Savoir-Faire.

More than just a room, your bedroom is where each day begins and ends - a space that sets your rhythm, reflects your style, and wraps you in comfort. At Studio Vivre, we believe your bedroom should be as personal as you are.

Explore our thoughtfully designed furniture collections to create a space that feels truly yours - whatever your lifestyle, whatever your vision.

STUDIO **VIVRE** is a Trade Mouldings Brand.

# MULTI- PANEL

Multi-panelled bedroom doors are on trend with 4 options to choose from...

## Harrington

Shaker with classic chamfer producing depth as a focal point.

# Baltimore

The classic shaker with 60mm stiles and mid-rails for that timeless appeal

**Kensington** with an elegant raised centre panel for that traditional look.

**Oslo** Sleek modern and contemporary minimalist styling.

# SHAKER

Focusing on functionality, with an array of stile sizes and a recessed centre panel, our collection of shaker style doors provide clean lines for a minimal appearance, perfectly versatile and can be tailored towards traditional or contemporary aesthetics.

## Auckland

A refined Shaker design with 100mm stiles and 'V' grooves featuring a saponetta edge detail.

## Belmont

Featuring 65mm stiles and a clean, midrail-free design, perfect for a modern twist on the classic shaker door.

## Berkeley

A Shaker-style design featuring routed lines creating 65mm stiles.

## Boston

Boston is a wide shaker design with 110mm stiles. An all-round popular design for bedrooms.

## Brentwood

A 90mm stiled door featuring a timeless and versatile design, widely favoured for bedroom interiors

## Burlington

A narrow 50mm stiled door featuring a timeless and versatile design, widely favoured for bedroom interiors.

## Gresham

A classic shaker with 100mm stiles and 'V' grooves, offering a timeless look that suits both traditional and contemporary interiors.

## Lunar

A contemporary slim shaker design featuring 'V' grooves and 65mm stiles for a clean, modern aesthetic.

## Milan

A classic shaker with 100mm stiles, offering a timeless look that suits both traditional and contemporary interiors.

## Salisbury

Salisbury is a wide shaker design with 100mm stiles. An all-round popular design for bedrooms.

# IN-FRAME

Get the In-Frame look and create a more elegant appearance with our In-Frame doors featuring an additional line around the frame.

## Heywood

Featuring a 32mm Border, with 100mm stiles.

## Mayfair

Featuring a 32mm Border, with 105mm stiles.

# RAISED PANEL

With attention to detail between stile and the raised centre panel, these doors give a timeless sophistication. Traditional elegance is achieved through subtle edge variations with a crisp finish.

## Ascot

A timeless style showcasing a raised central panel with a gracefully curved top and 65mm stiles.

## Avondale

Avondale features a tongue and groove effect to the raised centre panel adding subtle detail with 65mm stiles.

## Bowland

Bowland with 100mm stiles and raised centre panel to create the shaker look.

## Bury

Bury is a raised centre panel with 70mm stiles.  
Bury also features a saponetta edge profile.

## Cashel

Cashel features a raised centre panel with 90mm stiles.

## Countryvale

A finely detailed stepped routed panel, with accents on both the outer edge and centre with 63mm stiles, adding depth and sophistication.

## Gisburn

A door featuring a saponetta edge, with a routed line that gives the appearance of a 75mm stile.

## Euroline

A door featuring a saponetta edge, with a routed line that gives the appearance of a 55mm stile.

## Kent

With a cathedral-style top and 80mm stiles, combining classic form with elegant detailing for a more decorative, traditional look.

## Oxford

A deep recessed centre panel with crisp square detailing and 72mm stiles, offering a bold yet refined look.

## Richmond

A deep recessed tongue and groove centre panel with sharp square detailing and 66mm stiles.

## Sherwood

Sherwood features 59mm stiles paired with a graceful arched top, blending classic charm with subtle elegance.

## Westport

Westport features a raised centre panel with 90mm stiles and chamfered corners.

# MODERN

Modern bedrooms are all about clean lines, minimal clutter, and a calming, sophisticated atmosphere. Whether you're drawn to bold contrasts or soft neutrals, modern design blends form and function to create a restful retreat that reflects your personal style.

## Cleveland

A versatile door ideal for bedrooms, bathrooms, home offices and media centres. The Cleveland is available in both vertical and horizontal orientations.

## Aries

A slab door with a chamfered edge to the handle side featuring a sculpt handle to the edge of the door routed from the centre.

## Aura

A sleek, slab-style vinyl-wrapped door featuring a refined 2mm chamfered edge. Available in over 40 stunning colours.

## Dover

With a subtle curve to the top and bottom along with a slightly rounded edge.

## Hampshire

40 A slab door with feature handle to the centre.

# Hapton

Hapton is a slab door with rounded edges.

## Hebden

A slab style door with slight round to the top and bottom of the door

## Orion

42 A Slab door with routed integrated handle space.

# Lumi

Slab style door with a minimal edge

# Odyssey

A range of high quality  
laser edge slab doors.

# ‘unique paint application’

Fenton features a unique paint application that provides exceptional resistance to fingerprints and a highly durable surface, making it ideal for modern bedrooms. Available in five stylish solid colours, it also offers a woodgrain option in Kala Ash for those seeking an even more contemporary look.

Fenton's front face has unique paint application which is then coated and activated by uv light giving it a highly durable surface. The Doors are laser edged with a painted finish to match the front.

# Home, office & media

Create stylish bootrooms, home office or media centres  
with our range of made to measure products.
